Mr. Folkes:

Through our mutual friend, Ms. Tim Campbell, I received a copy of your signed book and loved reading it.

I'm sure you're very proud of your accomplishments and you should be. I certainly was very impressed with your story, and after reading your story, could see no other outcome of your life as being, first, a very generous, and secondly, a very successful man.

I'm so thankful that you had the love of your Grandparents to guide you in your early years. I, as a Grandparent, made sure my Grandchildren knew that they are loved by me, and as they are grown now, nothing has changed.

Your book enriched my life, and my close friends will be reading it.

Thank You
Dennis Gregg

Dear Mr. Michael A. Folkes,

The teachers and students at Fulton Elementary school, would like to thank you for coming to encourage us to be Mighty in Character and for giving us the opportunity to pay it forward to Mt. Waddy Elementary in Friendship, Jamaica. Thank you from our hearts for the gifts of love given to the staff. Your giving helped us to have a great start to our year. We are grateful for your kindness. It is such a blessing for us to know that people in our community and abroad do care.

P.S. Thank Patchy for his visit for us! We enjoyed him and look forward to seeing him again.

Sincerely,
